

Senior Environmental Analyst

position summary

In this full-time, exempt position, the Senior Environmental Analyst will work closely with clients and project teams to complete permit acquisitions, assessments, and compliance management. This position requires technical knowledge of federal, state, and local regulations to support energy-related development projects. This position will have the flexibility to work from Merjent's Minneapolis Office, Wisconsin Office, or remotely from a home office.

responsibilities

The Senior Environmental Analyst is responsible for the following:

- Assist with the management of permitting services to all energy sectors including: oil and gas pipelines, electric transmission, solar, and wind projects within schedule and budget expectations.
- Coordinate and support projects that may include EAs and EISs.
- Support and coordinate field surveys, subcontractors, and written deliverables.
- Work with internal and external clients to ensure Merjent's reputation for excellence.

qualifications and experience

The successful candidate will have the following qualifications and experience:

- B.S. in environmental science, environmental engineering, archaeology, biology, or closely related field.
- Must have a minimum of 10 years of progressive environmental permitting and energy industry experience supporting large-scale projects and facilities.
- A minimum of 10 years of work experience with Section 106, NEPA, FWS, FERC, and SHPO requirements and processes.
- Experience with agency consultation.
- Knowledge and experience in hydrology, biology, environmental monitoring, and field experience is a plus.
- Strong project management, organizational, and people skills.
- Ability to adapt quickly and work well under pressure.
- Ability to work independently with minimal supervision.
- Ability to analyze, organize, and interpret data from multiple sources.
- Excellent oral communication and technical writing skills.
- Must be detail-oriented with excellent problem-solving skills.

Candidates interested in applying should submit a completed Application for Employment to merjent.applicantpro.com.

Merjent, Inc is an Equal Opportunity Employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veteran status, or any other legally-protected factors. Disability-related accommodations during the application process are available upon request.
